This personnel policy manual is written to acquaint new employees and remind old employees, of the advantages and the responsibilities of town employment. In addition, it provides guidance to supervisors and members of the Governing body.

Just as the services extended by the town are important to the citizenry, the well-being and welfare of the employees are also essential.

Every job with the town is important and the manner in which you perform your job determines to a large extent the public relations of town government, as well as pay increases. You will find being considerate and courteous, as well as conscientious, reliable, and prompt, gives you more satisfaction in your work and, at the same time, increases the regard which people of Mount Carmel have for town employees.

The policies contained herein have been approved by the Board of Mayor and Aldermen and employees should review this policy at least twice a year.

Nothing contained anywhere in this manual shall be construed as a contract for employment, nor a promise or guarantee for perpetual association or advancement in pay or position. It is not intended to create a property interest in future employment. Any individual employment contract must be in writing, approved by the Board of Mayor and Aldermen, and signed by the Mayor.

It is the policy of the Town of Mount Carmel, Tennessee, to provide equal opportunity employment to all qualified applicants and to all employees with respect to initial employment, advancement, and general working conditions, without regard to age, race, creed, color, sex or national origin.

Discrimination against any person in recruitment, examination, employment training, promotion, retention, discipline or any other aspects of personnel administration because of political or religious opinions or affiliations or because of race, national origin or other non-merit factors is prohibited. Discrimination on the basis of age or sex or physical disability is prohibited except where specific age, sex or physical requirements constitute a bona fide occupational qualification necessary to proper and efficient administration.

2.20 DISCRIMINATION COMPLAINTS AND APPEALS

Applicants for employment with the town alleging discrimination in the town employment priorities or policies, and employees of the town with complaints of discrimination shall follow the complaint and appeals procedure set forth below:

- A. The affected applicant or employee shall file a written complaint with the Town.
- B. Within ten working days after the complaint has been filed, the City Administrator shall meet with the affected employee, the party(ies) concerned in the complaint and any other persons necessary to make a decision concerning the action (unless the complaint is made against the City Administrator in which case the Mayor shall process the complaint.).
- C. Within fifteen (15) working days after the complaint has been filed, a written decision on the complaint will be rendered. A copy of the decision shall be given to the party(ies) named in the complaint.
- D. All employees of, or applicants for employment with the Town of Mount Carmel, who believe they have been discriminated against also have a right to file a complaint with the Tennessee Human Rights Commission and/or the U.S. Equal Employment Opportunity Commission.
- E. No employee of, or applicant for employment with, the town shall be disciplined or discriminated against in any way because of the proper use of the Discrimination, Complaints, and Appeals Procedure.

2.30 SEXUAL HARASSMENT

Sexual harassment will not be tolerated by the Town of Mount Carmel. The town affirms that all men and women are to be treated fairly and equally with dignity and respect. Any form of sexual harassment contradicts the policies of the town and will be treated as discrimination on the basis of sex.

Sexual harassment is a form of employee misconduct which undermines the integrity of the employee relationship. It refers to behavior which is not welcome, which is personally offensive, which weakens morale, and which therefore interferes with the work effectiveness of its victims and their co-workers. A supervisor who uses implicit or explicit coercive sexual behavior to control, influence, or affect the career, salary, or job of an employee is engaging in sexual harassment. Similarly, an employee of the department or division who behaves in this manner

in the process of conducting department or division business is engaging in sexual harassment. Sexual harassment may include actions such as:

Sex-oriented verbal "kidding" or abuse;
Subtle pressure for sexual activity;
Physical contact such as patting, pinching, or constant brushing against another body; and
Demands for sexual favors, accompanied by implied or overt promises of preferential treatment or threats concerning an individual's employment status.

It is possible for sexual harassment to occur at two levels: among peers or co-workers, or between supervisors and subordinates. Complaints of sexual harassment may be submitted to the employee's immediate supervisor, unless the issue is with that particular supervisor, or the employee may have the right to go directly to the next level of management. The complaint is then channeled to the next higher supervisor, and so on up to the Board of Mayor and Aldermen, if necessary. Individuals who engage in harassment are subject to disciplinary action, including employment suspension, demotion or discharge.

CHAPTER III CLASSIFICATION, PAY AND FRINGE BENEFITS

3.10 JOB DESCRIPTIONS

All positions are defined according to the duties, responsibilities, level of difficulty and the minimum qualification of training and experience and other qualifications felt necessary for entry into the various classifications.

3.20 EMPLOYEE COMPENSATION

Employee compensation shall be in an amount set by the Mayor upon the recommendation of the City Administrator and within the rate/amount budgeted by the Board of Mayor and Aldermen. Employee compensation shall depend upon a) classification, b) longevity, and c) merit.

A non-exempt town employee who does not work his regularly scheduled work week shall be paid only for hours worked, unless such absence is authorized as paid leave by the employee's supervisor, or the City Administrator, or the Mayor.

Regular paydays for all town employees shall be every other Friday. Checks will be distributed by the Treasurer to individual employees or to their supervisor. All non-exempt employees will sign their time cards at the end of each pay period, supervisors will also be required to sign time cards. Signature on time card is a verification the employee has worked the exact hours shown on the time card and no more or no less for the applicable period shown on said card.

The following deductions, as required by State and Federal law, shall be made from each employee's pay:

- A. Federal Withholding Tax
- B. Social Security (FICA)
- C. State Withholding Tax
- D. Medicare
- E. Retirement

It is the policy of the town that no advance on future wages shall be made.

3.30 PERIODIC PAY INCREASES AND ADVANCEMENT

Salaries and wages will be evaluated annually. Adjustments will be considered on the basis of performance, standard of service, and current finances. The various factors that influence salary adjustment and advancement are as follows: knowledge of work, quality of work, length of service, use of working time, initiative, ability to work with others, loyalty and conduct, personal appearance, public relations, absenteeism and tardiness, care and maintenance of equipment, ability to adapt, leadership, acceptance of responsibility, self-motivation and cost control.

It is the duty of the City Administrator and all department heads to identify outstanding workers by conducting an annual performance evaluation and to adjust the rate of pay if merited according to performance, across the board raises, and financial limitations.

Seniority or longevity is not necessarily a basis for promotion or increase in pay. Promotions and pay increases will be on the basis of performance evaluations with length of service only one factor for consideration.

3.40 BENEFTTS

Fringe benefits shall be paid or accrued every pay period.

The cash pay of employees by no means constitutes their total pay since employees receive a number of benefits which have a substantial value.

The benefits for eligible employees are as follows:

- A. Health Insurance (through a plan selected by the Governing Body)
- B. Life Insurance (through a plan selected by the Governing Body)
- C. Pension Plan (through a plan selected by the Governing Body)
- D. Workman's Compensation
- E. FICA (social security)
- F. Unemployment compensation paid upon valid claim
- G. Paid holidays
- H. Paid vacations
- I. Paid sick leave

The terms and conditions of these benefits may be governed by State law, federal law, Board policy or by contract; detailed information is available at the office of the Recorder.

3.50 PAY AT TERMINATION

Employees who are terminated will normally be paid on the next regularly scheduled pay day.

3.60 HOURS OF WORK

The standard workweek for each department will be determined by the department head with approval of the City Administrator. Up to one hour will be allowed for lunch, including travel time, and will not be considered part of the regular working day.

Employees of the Wastewater/Public Works Department shall rotate "on-call duty". [Employees will be paid \$75.00 per week when they are "on call." If they are called out, then they will be paid overtime if their hours of work exceed forty in that workweek.]

The City Administrator or Department Head shall give adequate notice to all employees of a change in the starting and stopping hours of the work day.

There shall be allowed two (2) fifteen (15) minute rest periods for all full-time employees during the work day. One period shall be mid-morning and one period shall be mid-afternoon. Such periods shall not exceed 15 minutes in length, including travel time.

3.70 ATTENDANCE

Employees shall be in attendance at their assigned places of work in accordance with the policies regarding hours of work, holidays and leave. If an employee, for some un-avoidable reason, cannot report for work, he shall notify his supervisor or department head before the start of the shift. Notification Policy will be set by the Department Head Failure on the part of an employee to comply with these policies may be cause for disciplinary action.

3.80 OVERTIME COMPENSATION

All non-exempt employees shall receive overtime pay for each hour worked in excess of the employee's regularly scheduled 40 hour workweek, unless other agreement is reached between the employee and the Town, as allowed by law. Police officers may be compensated for overtime in accordance with the specific provisions dealing with police officers under the Fair Labor Standards Act, 29 U.S.C. 201 et seq. Other hourly paid town employees may also accrue compensation time off in lieu of overtime for all hours worked in excess of forty (40) in any one workweek so long as approved by the employees' Department Head and the City Administrator and may accrue such compensation time off up to a maximum of 480 hours. All hours worked in excess of forty (40) hours in any one workweek after an employee has accrued 480 hours of compensation time off must be paid at that employee's overtime compensation rate. Compensation time off must be documented by reference to each employee's time cards. All compensation time off accrued for all town employees qualifying for compensation time off must be used by June 30 of each fiscal year. A new accrual of compensation time off shall begin July 1 of each year.

Exempt employees who are paid by salary shall not be entitled to overtime compensation, or additional holiday pay. Any person required to work on a holiday as a part of their regularly scheduled work week may receive an equal amount of time off preferably within the same pay period.

3.90 TRAVEL AND OFFICIAL EXPENSES

Employees shall be reimbursed for official travel in the performance of their duties, as well as for official expenses personally incurred related to their position. Details of the Town's Travel and Expense Regulations are found in Mount Carmel Code, Title I, Chapter 6 "Travel and Expense Regulations".

3.100 MANDATORY UNIFORM ALLOWANCE

Uniforms, when required, will be provided by the town. Maintenance on those uniforms will also be provided by the town.

3.110 RETIREMENT

The Town of Mount Carmel, Tennessee, has no mandatory retirement age. Continued employment in a position is dependent upon the employee's ability to continue to perform assigned tasks in an efficient and timely manner. This should not be construed to constitute a contract between the town and the employee, as all positions are subject to elimination through a reduction in force or through general reorganization, for budget limitations and for other legitimate reasons of the town.

It is the duty of any employee planning on retiring to notify the City Administrator as far in advance as possible of such retirement. Notice one year in advance is contemplated under this notice section. Retirement for medical reasons is excluded from the notification requirements.

CHAPTER IV LEAVE

4.10 VACATION LEAVE

No temporary employee, working full-time or part-time, shall be entitled to vacation leave.

Permanent part-time employees are not entitled to vacation leave.

At the date of the adoption of these Policies, each employee shall be entitled to his vacation time earned up to that date and thereafter each full-time permanent employee shall earn vacation time in accordance with the following schedule:

| YEARS SERVICE | ALLOWABLE VACATION PER YEAR |
|---------------|------------------------------------|
| l-year | one week |
| 2-years | two weeks |
| 8-years | three weeks |
| 14-years | four weeks |
| 20-years | five weeks |

Vacation time accrued shall not exceed two (2) years entitlement calculated from the anniversary date of each year of employment. Vacation time not taken within two (2) years of the date accrued shall be cashed out. At no time, shall any employee take more vacation time per year than is allowed under the above schedule under "allowable vacation per year" column, or up to two years accrual.

Vacation leave must be applied for by the employee and may be used only when approved by the department head, who shall designate such time or times when it will least interfere with the efficient operation of the department. However, this action must not be arbitrary and the department head may not unreasonably defer the taking of vacation leave so that employees are deprived of vacation rights. Employee vacation shall be allocated on January 1 of each year for the coming year based on what the employee qualifies for at that date. Any additional vacation that employees qualify for will not be awarded until after the anniversary date. Unless there is an emergency, all employees shall provide their supervisor with two weeks notice when requesting vacation time.

Department heads must apply for vacation leave to the City Administrator for approval.

For vacation leave purposes, an employee granted the privilege of "re-instatement" as defined on page 3 is a new employee. However, an employee re-instated after leave with or without pay or re-instated as a result of a grievance will not be considered a new employee.

Vacation leave shall not accrue to any employee on probation, in a non-pay status for 20 consecutive work hours during any pay period, suspension, lay-off, or leave of absence without pay, unless otherwise directed by the City Administrator.

No vacation leave shall be granted for less than one hour.

Vacation leave shall be taken on a normal workweek basis. Paid holidays falling within a period of vacation leave shall not be counted as vacation.

Each employee, upon retirement or voluntary separation from the town, shall be paid for unused accumulated vacation leave. Upon the death of any employee, their estate shall be paid for their unused accumulated vacation leave.

4.20 SICK LEAVE

Sick leave is a period in which the employee is incapacitated from the performance of duties by sickness or injury not arising from the course of employment; or for medical, surgical, dental, or optical examinations or treatment; or when by reasons of exposure to contagious disease, the presence of said employee at a work site would jeopardize the health of others. Sick leave may be granted when illness of, or injury to a member of the immediate family requires the employee's presence.

Permanent full-time employees shall receive a credit of one day sick leave per calendar month for each month of continuous service. Earned sick leave may be carried over from one calendar year to another.

Temporary and part-time employees are not entitled to earn sick leave.

An employee may be required to furnish a certificate from an attending physician to claim sick leave.

The department head may require the employee to present a medical certificate as to the fact of illness or as to the ability of the employee to perform his work upon returning from sick leave.

The employee shall notify the department head or supervisor of his illness or incapacity before the time he is due to report to work on the first day of sick leave. If he is physically incapable of doing so, he should give notice as soon as possible. Sick leave shall be requested in advance whenever possible, i.e. dental appointments, physical examinations, etc.

Sick leave shall be charged for the actual work time missed. Holidays falling within a period of sick leave shall not be counted as sick leave.

Sick leave shall not accrue if an employee is in a non-pay status for 20 consecutive hours in a pay period, while on probationary status, or if absent from work without approved excuse.

If an absence, because of illness or injury not arising from the course of employment, extends beyond the sick leave accrued to the credit of an employee; additional time off may be charged to vacation leave. When all sick and vacation leave is exhausted, the employee may be granted leave without pay.

Sick leave may be denied when evidence indicates that an employee is abusing sick leave privileges. Abuse of sick leave shall be grounds for disciplinary action.

Sick leave may be accrued to a maximum of 60 days. All sick leave shall expire on the date of separation and no employee shall be paid for unused sick leave at the time of termination.

4.30 HOLIDAY LEAVE

The following shall be paid holidays for all permanent employees and shall be observed on the dates and days as prescribed by law:

New Year's Day Good Friday Memorial Day Independence Day Floating Holiday Labor Day
Thanksgiving Day
Christmas Day
Day after Thanksgiving
Veteran's Day

The town offices, except essential services, shall be closed on official holidays.

When a holiday falls on Saturday, it shall be observed on the preceding Friday. When a holiday falls on a Sunday, it shall be observed on the following Monday.

Permanent part-time employees shall not be eligible for paid holidays.

All full-time permanent employees required to work on a holiday may receive an equal amount of time off preferably within the same pay period or may be paid for those holiday hours worked at the rate of one and one-half times their regular rate at the discretion of the Department Head.

If a holiday occurs while an employee is on Workers' Compensation leave or other disability compensation leave, and is not using sick leave or vacation leave, no credit for the holiday shall be allowed.

In order to receive pay for an observed holiday, an employee must not have been absent without pay on the work day immediately preceding or immediately following the holiday unless excused by the supervisor or unless taking vacation or sick leave on such days.

Holidays which occur during a vacation, sick, funeral or other authorized leave shall not be charged against the leave.

4.40 CIVIL LEAVE

Employees are eligible for paid civil leave in the following situations:

- (1) When an employee is called to serve as a juror or is appointed to serve as a clerk or judge on an election board, the employee is entitled to his regular pay. Any fees paid to him as a result of this service shall be turned over to the town.
- (2) For the purpose of voting if the employee's working hours prevent voting during the time the polls are open.
- (3) When an employee is called to perform emergency civilian duty.
- (4) When an employee is subpoenaed to appear in court on behalf of the town.

An employee who is required by subpoena to appear in court as a plaintiff, defendant or witness on a personal matter shall not be granted civil leave, but may be granted vacation leave or leave without pay.
