Dear Mayor Lawson,

Due to higher than expected business tax collections and wise stewardship of state resources, this year's budget saw a considerable amount of extra funds. Tennessee's senators pushed for responsible allocations of this money, including \$220 million in educational funding, depositing \$250 million in the state Rainy Day Fund, and enacting a grant program to benefit our local communities, which you applied for.

It is my pleasure to inform you that your organization has been selected to receive funding under the 2007 Community Enhancement Grant program. This program was established to provide assistance to the organizations that make our state a better place to live and work, and your organization is clearly playing that role in your community.

The Town of Mount Carmel Police Department has been awarded a Community Enhancement Grant in the amount of \$1,500. I have been given assurances that funds will be disbursed no later than December 1, 2007. It is my sincere hope that the funds you receive are of great assistance as you continue to serve your fellow Tennesseans, and I look forward to visiting your organization and seeing the improvements first hand.

Sincerely,
