RESOLUTION NO. 09-431

A RESOLUTION PURSUANT TO MOUNT CARMEL MUNICIPAL CODE 1-402 AUTHORIZING THE MAYOR TO ENTER INTO STATE OF TENNESSEE, DEPARTMENT OF TRANSPORTATION CONTRACT FOR THE MAINTENANCE OF STATE HIGHWAYS THROUGH THE TOWN OF MOUNT CARMEL, TENNESSEE.

- WHEREAS, Tenn. Code Anno. §§ 54-5-201-203, provide that the Department of Transportation for the State of Tennessee is responsible for the maintenance of the streets in municipalities over which traffic on State highways is routed and may enter into contracts with municipalities relative to this requirement where a municipality is organized for the care of its own streets, on a reimbursement basis; and
- WHEREAS, the Town of Mount Carmel, Tennessee, is organized for the care of its own streets, and wishes to enter into an agreement to provide for the maintenance of those sections of such streets including State Routes 1 and 346; and
- WHEREAS, Mount Carmel Municipal Code §1-402 provides that the Mayor shall negotiate agreements such as the one attached hereto which he now presents to the Board of Mayor and Aldermen for its approval; and
- **WHEREAS**, the revenue derived from performing maintenance work pursuant to the aforedescribed contract is essential to the financial well being of the Town of Mount Carmel, Tennessee; and
- WHEREAS, the public welfare requires it;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF MOUNT CARMEL, TENNESSEE, as follows:

- **Section I.** This agreement attached hereto and incorporated herein by reference thereto is and should be entered into by the Town of Mount Carmel and is therefore approved;
- **Section II.** The Mayor shall do all things necessary to validate and make the agreement attached hereto legally binding including, but not limited to, affixing his signature thereto;
- **Section III.** This Resolution shall take effect upon its passage the public welfare requiring it.

Duly passed and approved this the 23rd day of June, 2009.

RE: 2009-2010 Highway Maintenance Contract

Dear Mr. Corum:

Please find enclosed the original executed contracts regarding the above noted matter. I have also enclosed a certified copy of the resolution approving said contract. It is my understanding that you will forward an original back to the Town once it is executed by the Department of Transportation. Should you have any questions, please do not hesitate to contact me.

Thank you for your kind attention in this regard.

Sincerely,

TOWN OF MOUNT CARMEL

Marian Sandidge, City Recorder

STATE OF TENNESSEE

DEPARTMENT OF TRANSPORTATION

CONTRACT - TOWN OF MOUNT CARMEL

(MAINTENANCE OF STATE HIGHWAYS THROUGH MUNICIPALITIES)

This Agreement made and entered into by and between the State of Tennessee, acting through its

Department of Transportation, hereinafter referred to as the Department, and the TOWN OF MOUNT

CARMEL, hereinafter referred to as the Town.

WITNESSETH:

WHEREAS, T.C.A., Sections 54-5-201--203 provide that the Department is responsible for the maintenance

of the streets in municipalities over which traffic on State highways is routed and may enter into contracts

with municipalities relative to this requirement where a municipality is organized for the care of its own

streets, on a reimbursement basis; and

WHEREAS, the Town is organized for the care of its own streets, and the parties want to enter into an

agreement to provide for the maintenance of those sections of streets hereinafter itemized.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby

acknowledged, the parties agree as follows:

The Town shall perform street maintenance on the hereinafter identified sections of Town streets over

which traffic on state highways is routed, for the period of time beginning July 1, 2009 and ending June 30,

2010.

The work performed by Town shall consist of those activities designated in the "Guidelines Covering

Maintenance of State Highways through Municipalities", a copy of which is attached hereto and

incorporated by reference as "Exhibit A". "Eligible items" are described on Exhibit A.

The street area to be maintained by Town shall include the roadway only from curb to curb where curbs

exist or to the shoulder lines where curbs do not exist, and will include the eligible grass control and the

eligible litter removal activities.

The Department agrees to reimburse said Town in the amount actually expended for street maintenance,

not to exceed a total of \$0.15 per square yard of area routinely maintained, swept or flushed, and the

Department agrees to reimburse said Town for the eligible grass control activities and the eligible litter

removal activities, not to exceed the number of cycles and the price per acre or mile, as described on

"Exhibit A" page 2.

CONTRACT - TOWN OF MOUNT CARMEL

(MAINTENANCE OF STATE HIGHWAYS THROUGH MUNICIPALITIES)

Page 3

The Department will not be obligated to reimburse the cost for repairing sections of State highways

damaged as the result of the activities of any public or private utility.

The Town will furnish the Department with itemized monthly sworn statements in quadruplicate, by the

20th of each month for work performed the previous month, setting out in detail the amount expended for

labor, equipment, materials and shall furnish copies of receipted vendors invoices for materials used. If a

contractor or contract labor or contract equipment rental is used on the above state highways the Town

agrees to furnish a detailed invoice from the Vendor for work performed. In no event will accounts be paid

which were incurred more than sixty (60) days prior to submission to the Department unless an extension

of time has been requested by the Town and granted by the Director of Maintenance. The Town hereby

submits to the Department, a statement showing the wage scale by classification proposed to be paid, with

the Department's equipment rental rates to be charged, identified as "Exhibit B", attached hereto and

incorporated herein by reference, which exhibit shall be subject to approval of the Department. The

Department agrees to pay monthly bills as soon after receipt thereof as it can be checked and warrants

issued. The Department will be furnished a work report by the Town, which will detail the work performed

by activity including the quantified units of measure, as identified in Exhibit A, to correspond to the

requests for reimbursement of each activity submitted. The Town shall also provide corresponding work location information for each activity submitted. The Town's failure to comply with these requirements

shall relive the Department of any obligation to reimburse the Town for the subject work.

Prior to the beginning of non-routine maintenance work, the Town shall notify the Department of its

intentions in writing, and shall give the Department an opportunity to inspect the sections of State

highways proposed to be maintained. During the time such maintenance work is being performed, the

Department shall have a right to inspect said work and the Town hereby agrees to carry out such

instructions as may be given by the representatives of the Department making any such inspection. The

Town's failure to comply with this requirement shall relieve the Department of any obligation to reimburse

the Town for the subject work.

The Town agrees to comply with all applicable federal and state laws, rules and regulations in the

performance of its duties under this agreement. The parties hereby agree that the failure of the Town to

comply with this provision shall constitute a material breach of the agreement and may subject the Town to

the repayment of all damages suffered by the state and/or the Tennessee Department of Transportation as

a result of said breach.

CONTRACT - TOWN OF MOUNT CARMEL

(MAINTENANCE OF STATE HIGHWAYS THROUGH MUNICIPALITIES)

Page 4

The contract is subject to the appropriation and availability of state funds. In the event that the funds are

not appropriated or are otherwise unavailable, the Department reserves the right to terminate the contract

upon written notice to the Town. Said termination shall not be deemed a breach of contract by the

Department. Upon receipt of the written notice, the Town shall cease all work associated with the contract.

Should such an event occur, the Town shall be entitled to compensation for all satisfactory and authorized

services completed as of the termination date. Upon such termination, the Town shall have no right to

recover from the Department any actual, general, special, incidental, consequential or any other damages

whatsoever of any description or amount.

The Town shall maintain documentation for all charges against the Department under this contract. The

books, records, and documents of the Town, insofar as they relate to the work performed or money

received under this contract, shall be maintained for a period of three (3) full years from the date of the final

payment and be subject to audit at any reasonable time and upon reasonable notice by the Department, the

Comptroller of the Treasury, or their duly appointed representatives. The financial statements shall be

prepared in accordance with generally accepted accounting principles.

No person on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any

other classification protected by Federal and/or Tennessee State Constitutional and/or statutory law shall

be excluded from participation in, or be denied benefits of, or be otherwise subjected to discrimination in

any program or activity or in the employment practices of the Town and will immediately take any measure

necessary to effectuate this agreement. The Town shall, upon request, show proof of such non-

discrimination, and shall post in conspicuous places, available to all employees and applicants, notices of

non-discrimination.

The Town acknowledges that it has total and complete responsibility for appropriate maintenance of the

designated streets.

The Department, by the execution of this agreement, does not assume any liability for damages caused to

persons or property by reason of the Town maintaining said sections of State highways, or by reason of

the Town's decisions regarding whether and to what extent a street should be maintained. The Department

assumes no liability for injury to any employee of the Town performing maintenance work under this

agreement. The Department shall have no liability except as specifically provided in this contract.

CONTRACT - TOWN OF MOUNT CARMEL
(MAINTENANCE OF STATE HIGHWAYS THROUGH MUNICIPALITIES)
Page 5

The contract shall be deemed effective by the parties as of July 1, 2009 regardless of the date it is executed by the parties.

IN WITNESS WHEREOF, the parties hereto have caused this contract to be executed by their respective authorized officials on the date set forth below.

The undersigned Municipal official verifies that he/she is authorized to execute this contract on behalf of the municipality.

GUIDELINES COVERING MAINTENANCE OF STATE HIGHWAYS THROUGH MUNICIPALITIES

The following items where applicable are eligible for reimbursement by the State to the Municipalities under our Standard Maintenance Agreement:

Activity

Units of measure

401	Manual Spot Patching	Tons
402	Crack Repair	Pounds
404	Mechanical Continuous Patching	Tons
405	Milling	Square Feet
406	Surface Replacement	Tons
411	Concrete Pavement Repair	Cubic Yards
412	Concrete Joint Repair	Linear Feet
425	Grading Unpaved Surface (Shoulder)	Linear Miles
427	Patching Unpaved Surface (Shoulder)	Tons
435	Machine Mowing on medians (Also back of curbs or shoulders on C.A.*)	Acres
438	Debris, Trees, etc., removal from Roadway surface only (Also Brush control on C.A.*, according to TDOT Tree and Vegetation policy)	Man Hours
441	Litter removal on medians (Also back of curbs or shoulders on C.A.*)	Roadway Miles
446	Mechanical Sweeping and Street Flushing	Miles
447	Manual Roadway Sweeping	Man Hours
460	Plowing Snow	Lane Miles
461	De-Icing Salt and/or Sand for snow and ice removal	Tons
463	Anti-Icing (Salt Brine)	Gallons
470	Pavement Markings	Line Miles
471	Specialty Markings	Each

* C.A. - Controlled-Access Highways

The following items are the responsibility of the Municipalities and are not eligible for State maintenance reimbursement:

- 1. Crosswalk Striping
- 2. Mowing right-of-way back of curbs or shoulder lines on non-C.A.*
- 3. Litter from right-of-way back of curbs or shoulder lines on non-C.A.*
- 4. Storm drainage
- 5. Traffic control signs and signals
- 6. Street lighting
- 7. Street name signs
- 8. Tree removal and vegetation control on right-of-way back of curbs or shoulders on non-C.A.
- * C.A. Controlled-Access Highways

NOTE:

- Major resurfacing when generally required will be performed by the Tennessee Department of Transportation as a construction project, in accordance with a program developed after consultation with the municipalities.
- 2. The Department of Transportation will furnish and maintain route markers through the Municipalities.
- The Department of Transportation assumes responsibility for maintaining everything inside the right-of-way fences on the Interstate System of Defense Highways with its own forces, except lighting systems.
 (Chapter 54-5-206, Tennessee Code Annotated.)
 Rev. 5-11-04

GUIDELINES COVERING MAINTENANCE OF STATE HIGHWAYS THROUGH MUNICIPALITIES

The eligible litter removal activities on controlled-access state highways and grass medians only on noncontrolled-access state highways will be calculated, by (12) cycles, by the price per mile as described below:

Litter removal on non-controlled-access highways 1 pass mile median only

No. of Miles by amount per pass mile Total no. of cycles

> \$50.00 12

2 pass mile no median Litter removal on controlled-access highways

No. of Miles by no. of cycles by amount per pass mile Total

12 \$100.00

Litter removal on controlled-access highways 3 pass mile with median

No. of Miles by no. of cycles by amount per pass mile Total

> 12 \$150.00

The eligible grass control activities on controlled-access state highways and medians only on noncontrolled-access state highways will be calculated, by number of acres, by (6) cycles, by the average state contract price of \$45.00 per acre on state highways:

State Highways

no. of acres no. of cycles by amount per acre Total

6

\$45.00

Note: The eligible grass control activities and the eligible litter removal activities will be invoiced for reimbursement by the cycle.
