

RESOLUTION NO. 13-509

A RESOLUTION TO DECLARE A VEHICLE AS SURPLUS PROPERTY AND DONATE SAID PROPERTY TO THE STANLEY VALLEY VOLUNTEER FIRE DEPARTMENT.

WHEREAS, the Town of Mount Carmel has in its inventory a *2000 Ford Expedition, VIN #1FMPU16LXYLC00402*; and

WHEREAS, the above-mentioned vehicle is no longer needed by the Mount Carmel Police Department; and

WHEREAS, the Stanley Valley Volunteer Fire Department has a need for said vehicle and has requested in writing same from the Town of Mount Carmel.

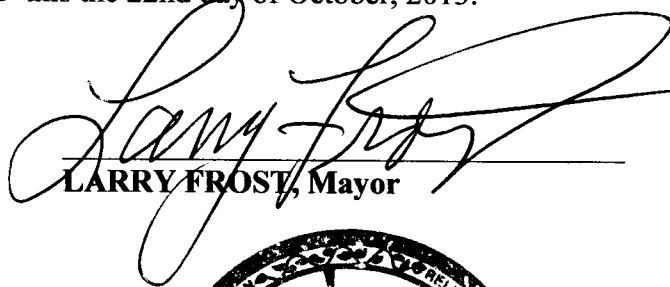

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF MOUNT CARMEL, TENNESSEE, as follows:

SECTION I. The Board of Mayor and Aldermen hereby declares the said vehicle as surplus property.

SECTION II. The Board of Mayor and Aldermen hereby authorizes the donation of the vehicle to the Stanley Valley Volunteer Fire Department, 1405 Stanley Valley Road, Hawkins County, Surgoinsville, Tennessee, 37873.

SECTION III. This Resolution shall take effect upon its passage, the public welfare requiring it.

Duly passed and approved this the 22nd day of October, 2013.

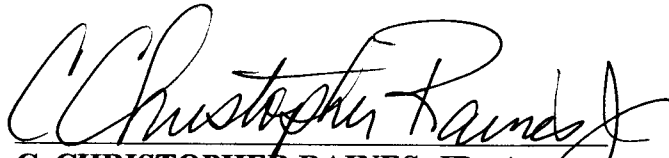

LARRY FROST, Mayor

ATTEST:

MARIAN SANDIDGE, City Recorder

Re: Surplus vehicle donation

Date: 10-15-13

Greetings,

The Stanley valley Fire Dept. is in need of a support unit vehicle. Our department operates on a very small budget, and we don't have available funds to make this type of purchase.

I would like to request the Town of Mt. Carmel consider donating a surplus vehicle to the Stanley Valley Fire Department.

Said vehicle would be used as a secondary support vehicle to be used when a fire truck isn't feasible to use.

Said vehicle will also be used in our "Elderly Assist" program. This program was implemented to help elderly citizens throughout our community who may have special needs, such as delivering food and kerosene in the winter.

I have spoken with Fire Chief Christian regarding the white Ford Expedition and Police Chief Campbell regarding the black Ford Crown Victoria. Both Chiefs stated these two surplus vehicles were donated to the City several years ago and both Chiefs were in agreement on donating one of the vehicles to the Stanley Valley Fire Department.

Please consider the donation of one of the above vehicles to the Stanley Valley Fire Department.

Fire Chief Stacy Vaughan

Hello Tammy,

Property that is not longer on the Department's Active Inventory may be disposed of (continue use, loaned or given away to another agency/department or sold to the public) as they see fit or choose.

Have a Great Weekend,

Mount Carmel donates truck for Stanley Valley VFD 'Elderly Assist' program

By **JEFF BOBO**

jbobo@timesnews.net

MOUNT CARMEL — Stanley Valley firefighters will be using a "new" used 2000 Ford Expedition contributed by the town of Mount Carmel to continue the department's "Elderly Assist" program.

On Tuesday, the Mount Carmel Board of Mayor and Aldermen voted 7-0 in favor of donating the Expedition to the Stanley Valley Volunteer Fire Department.

SVVFD Chief Stacy Vaughan, who attended Tuesday's BMA meeting, said the Elderly Assist program is currently in its second year.

"We had a lot of elderly people in our community that we as a fire department took it upon ourselves to go out and routinely check on them," Vaughan told the BMA. "We make sure they have food, they have heat sources or if they need fuel for their heaters. We've been using our personal vehicle to do that instead of using a fire truck."

Vaughan noted that the SVVFD operates on \$30,000 and most of its funds go toward maintaining fire trucks and training. He said the department wouldn't be able to afford another vehicle for the Elderly Assist program.

Vaughan added, "This vehicle, along with serving in that program, would be a vehicle that my members could use, travel to and from training. It will be a vehicle they can use without using their own."

Alderman Frances Frost noted that the vehicle was received by the town as military surplus and wasn't purchased with local funds.

Mayor Larry Frost said the legality of donating military surplus equipment was confirmed.

In other business Tuesday the BMA:

- * Heard a report from Frost that the town will be applying for a \$500,000 Community Development Block Grant to pay for improvements to the sewer treatment plant. Frost said that once the sewer plant upgrade is completed, "The sewer plant will be up to par to handle anything that comes in here — any kind of development we have — if we get this grant right here."

- * Accepted a low bid of \$17,644 from Snogross Carpentry of Church Hill for the roof, insulation and guttering project at the public works building.

Frost noted that the low bid was \$600 over budget, but he said re-advertising would cost another \$300. The only other bid was more than \$22,000.

The board agreed to move forward with the current low bid.

- * Heard a report from Johnny Castle, public works director, that the citywide paving project will start Nov. 4, weather permitting.

- * Declared several items a surplus, including a 2004 Ford Crown Victoria, a 2000 Ford Crown Victoria, a 2006 Ford Expedition, seven prisoner partitions for Crown Victorias and six push bumpers for Crown Victorias — all of which were purchased originally from the general fund.

- * Heard a report from Frost that a new Blimpies sub sandwich shop will be opening on Main Street around the first of November next to the Rub-A-Dub Car Wash.

- * Heard a report from Police Chief Mike Campbell that there is enough money in the drug fund to purchase a new patrol car and equip that car with state safety grant funds. The total cost will be about \$30,000 at no cost to the town.

* Rescheduled the December BMA meeting from Dec. 24 to Dec. 17 at 5:30 p.m.
