Memo to BMA

From Building Inspector

SUBJECT: Consideration of Stormwater Notice of Intent (NOI)

December 28, 2016

1. Attached is an NOI for approval. The document was considered by the Planning Commission (PC) at the December 13, 2016 meeting. The PC forwarded it to you for consideration.
2. The NOI is a renewal of the Town's current stormwater program and is required by the Tennessee Department of Environment and Conservation (TDEC). The information submitted is the minimum the Town can do to comply with the TDEC permit requirements. We are required to submit the NOI to TDEC no later than February 1, 2017. Accordingly, approval is recommended.
